8) Health & Social Care:

9) Infrastructure, Environment & Economy:

a) **Planning Applications:** No planning applications.

b) **Highland Council Road repair, Braemore Road, Portormin Road Barrier & Concrete Bus Shelter:**

Reply received from Tracey Urry on 5th March 2024

- Road repairs- once budget has been agreed and capital works list reviewed following the last of the winter weather, we will be sent update of roads which will be resurfaced and repaired.
- Braemore Road – They can put up uneven road surface signs. Several sections of this road has been identified as needing resurfaced, depending on the reviewed priorities of the capital works list, some may be done this year. They will be there fairly soon to carry out temporary repairs.
- Barrier – These works should take place within the next 4-6 weeks.
- Concrete bus shelter – It is planned to demolish when replacing barrier and other works within village.

c) **Harbour Wall, Dolos & Gabion Baskets:** Reply received from Tracey Urry on 5th March 2024

- Small Harbour Wall – The low blockwork between the road and harbour is the responsibility of the roads department. It is planned to fix this at the same time as the Portormin Road barrier.
- Dolos & Gabion Baskets – Harbour department have requested a quote from GMR Henderson.

d) **Knockinnon Windfarm:** No update available. Further discussion re submitting an interest in community benefit to be discussed.

e) **Phone masts Braemore/Berriedale:** Email from Anson MacAuslan, Welbeck Estate stating there is currently a mast being built at Connacreag. There is no further update regarding the mast near Achnahavish but this has been through planning. Welbeck have been approached about another site, out the Gobernuisgeach Road, awaiting for this to come to planning. There are other areas within the Highlands where this situation has been happening and people are writing to planning and seeing results.

f) **Pylons:** No update from Pylon Group. Neil proposed for the Community Council to have a private discussion regarding the Pylons regarding moving on and discuss community benefit if they are to go ahead. Graham and Neil felt this is needed urgently. Francis will contact Angus to inform and discuss when this would be.

g) **Dunbeath Bridge – noise pollution:** No update.

h) **Land Drains:** The Highland Council replied on 5th March 2024 to state they would look into this and report back.

10) Performance & Governance:

a) **Requirements for sub-committees:** Community Council North and East Support team replied with some relevant information. *Jenna will contact the Xmas Lights Committee with this information. Further discussions will need to be had once all the information has been read.

- If a sub committee has separate accounts these need to be included in the main CC annual accounts, with an update provided at each meeting.
- The COMMUNITY COUNCIL may establish sub-committees and appoint Community Councillors and associate members to serve on these committees. The COMMUNITY COUNCIL shall determine the composition, terms of reference, duration, duties and powers of any sub-committee. The decision to set up a subcommittee, it's remit and any agreed decision making powers given to it must be agreed and recorded in the CC minute. A note of subcommittee decisions must be circulated at the following CC meeting.
While a person or persons not members and not eligible to be members of the Community Council may be appointed as having special expertise relevant to the purposes of the committee, such external member shall not have voting rights.
