6/ **NB** stated that the roads in the local area were in a terrible state of repair and that there was now a Caithness Spreadsheet of road problems **WM** stated everywhere he went there was nothing but complaints about the state of the roads. **NB** had contacted **WM** to say that the old A9, Portormin Rd and the entrance to the village now had potholes that would damage cars. **FA** added the road off the big turn and **JAG** added Braemore Rd. **WM** said the pothole machine was due in the county this month and he will forward our concerns. **WM** said the machine was not as expected. It only cut the tar out of the hole put a line of tar round the edge with a man having to fill the hole and roll it. There was now a problem with the supply of Bitumen.

7/ John O Groats trail: No further progress. **NB** stated that the bracken and vegetation has made the trail near impossible to walk and most of the walkers were keeping to the road, Because the path was very muddy.

stated he has local adverts in Box. **FA** suggested there should be a shelf for people to leave and collect leaflets. (ongoing). **VC** said the box would be moved.

15/ Dunbeath Strath Project. **NB** stated that he now had 2 quotes for the path and the remainder of the application was being developed.

16/ Berriedale Broadband. It would appear that Openreach has put the matter back to 2026 **NB** stated that affected all of the houses down in Berriedale as they could not get a decent broadband connection or mobile signal people were moving out of the area and the houses were being used for holiday lets. **DM** stated there is one family that moved into the house next door and asked BT to change their Broadband over and they refused as Openreach would no longer service copper cable connection. **DM** stated Berriedale made the television last week as the worst reception in Scotland. **NB** is going to get in touch with Maree Todd our MSP.

The community council felt that its views were not properly represented by Ewen Mackintosh and that Raymond Bremner had done a disservice to the community council. Raymond Bremner to be asked to the next meeting to explain himself and Ewen Mackintosh to be contacted also to explain why he did not represent the community councils views correctly. Raymond Bremner did not come to the meeting and we received an email from Pablo concerning the decision by Ewen Mackintosh.
